

Solo and Ensemble Contest
Peoria Christian High School
3506 N. California Avenue
Peoria, Illinois

March 6, 2010

Preparation & Event Information

1. Know your time and room. Be sure to arrive at least an hour before your time to find the room, warm up and prepare. There will be lots of cancellations that day so your time might move up.
2. Be sure you have an **original** of your selection to present the judge *with the measures numbered*. Failure to do either will result in your rating being lowered.
3. If your selection is accompanied (performed with piano) it must be performed such. Make arrangements with your piano player and be sure to pay them for their time. \$25-35
4. There will be no bus from IVC. As everyone is scattered through the day it makes no sense for all to ride over in the morning and wait around all day. Have your parents bring you over. We only allow students to drive if an adult is not available.
5. Instrumental soloists have to perform scales too. Mr. D has them, see him.
6. Dress professionally. NO JEANS!! Look your best!!
7. If needed Mr. D will be in either the home room or the director's area. For the most part you are on your own, BUT if you need help find him!!!!
8. Our home room is the main gym.
9. Results will be posted somewhere on a screen during the event. Sheets will be available on Monday.
