

INDIVIDUAL FUNDRAISER

This is an opportunity to earn funds specifically for your designated student! Direct to their account. THIS IS NOT A BAND BOOSTER FUNDRAISER.

This is a party plan opportunity, but different from any other party you have ever done! You can earn up to 25% of all sales, plus additional percentages off of future party sales! Read on to find out more.

The hardest thing you have to do is pick a date and make a guest list of 20 or more names, addresses or email address and phone numbers -- I will make reminder calls for you if they are provided! Then come to the party yourself. It's simple.

*You, your friends, family and neighbors will have a great time socializing and learning everyday organizing and accessorizing ideas!

*Out of town family and friends still may place orders and have them delivered direct for an additional shipping charge. They may view the catalog online at my website

(www.signaturehomestyles.biz/jj1326) and email me their order.

*Orders may be paid by VISA/MasterCard/Discover credit or debit, or check made payable to you.

*In addition to helping your student, you also will receive a FREE and 50% off shopping spree when we wrap up your show orders.

*We will close your show within 3-4 days of your party. Then you will make one payment for the entire show.

*Your orders will arrive by Fed Ex in about a week, bagged and tagged by our wicker pickers!

*Call your friends for pick up or deliver.

You may have the show right in your home or make it a Girls Night Out with a restaurant party. Some available places include: the Pizza Hut atrium, Monicals Pizza, Firehouse Pizza, Olive Garden and Blarney Castle. Let me know if you have additional suggestions

Here's the nitty-gritty.

- 1) The initial show scheduled & qualifying (min. \$200 in net sales*) will receive 20% of the net sales (min. \$40) placed into the specified students account approximately a week after the show ships. For each show scheduled and qualifying from the initial show I will continue to donate to the students account 15% (min \$30) of those net sales.
- 2) You also have to option of a catalog show. You typically receive two weeks to collect orders and enjoy all the same hostess benefits. This will work a little different than a "live" show. If ALL of the catalogs are returned at the closing of the show the specified student will receive 25% of the net sales with future qualifying shows receiving 15% of the net sales. If the catalogs are not returned they will receive 15% of the net sales* with 10% for additional qualifying shows.
- 3) Additional money may be added through orders placed at my "Mega Super Savings Sale" available on my website: www.signaturehomestyles.biz/jj1326 . In order for the student to receive credit I must receive an email notifying me of the order and which student it is to benefit. The student will receive 25% of the net sales in about a week. These orders are placed online, paid only by VISA/MasterCard/Discover and ship directly to the address given on the order.
